

**4th strategic seminar, EdReNe
Barcelona, March 2010**

Scientix
*The Community for Science
Education in Europe*

Dr. Àgueda Gras-Velázquez
26/03/2010

Scientix

- The new web-based community for Science Education targeted at teachers and researchers.

- Carried out by **European Schoolnet** (EUN) on behalf of the **European Commission** (DG Research).

The website will be available in **May 2010** at <http://scientix.eu>

The screenshot shows the Scientix website layout. At the top, there is a navigation bar with 'PRINT THIS PAGE', 'SEARCH', and 'CHANGE YOUR LANGUAGE'. The main header features the 'SCIENTIX' logo and the tagline 'The community for science education in Europe'. A left sidebar contains a 'HOME' menu with links to 'PROJECTS', 'RESOURCES', 'NEWS', 'EVENTS', 'COMMUNITY', and 'ABOUT'. Below this is a 'LAST MEMBER' section for 'Santi Scimeca' from 'Lycée Martin V Belgium' with a 'WANT TO BE A MEMBER?' button. A 'LOGIN BOX' contains fields for 'login' and 'password', along with links for 'Forgot you password?' and 'How to subscribe?'. A 'FOLLOW US ON TWITTER' button is also present. The main content area is divided into several sections: 'LAST UPDATES' with two news items, 'TAGS' with a list of subjects like 'maths', 'chemistry', 'biology', 'environment', 'science', and 'technology', 'EVENTS' for 'September, 2010' with a calendar view, and 'ADVERTISEMENT' with a notice about translation services. The footer includes logos for the European Union, the Seventh Framework Programme, Science in Society, and European Schoolnet, along with 'Contact', 'Disclaimer', and 'Feedback' links.

EdReNe, 4th strategicseminar, Barcelona, March 24-26, 2010

The European **conference**:

Besides the website, several events and workshops will be organised during this 3-year project. The main event will be the **Scientix conference May 6 - 8, 2011**, which will promote networking among the science and education community and provide feedback on the services offered online.

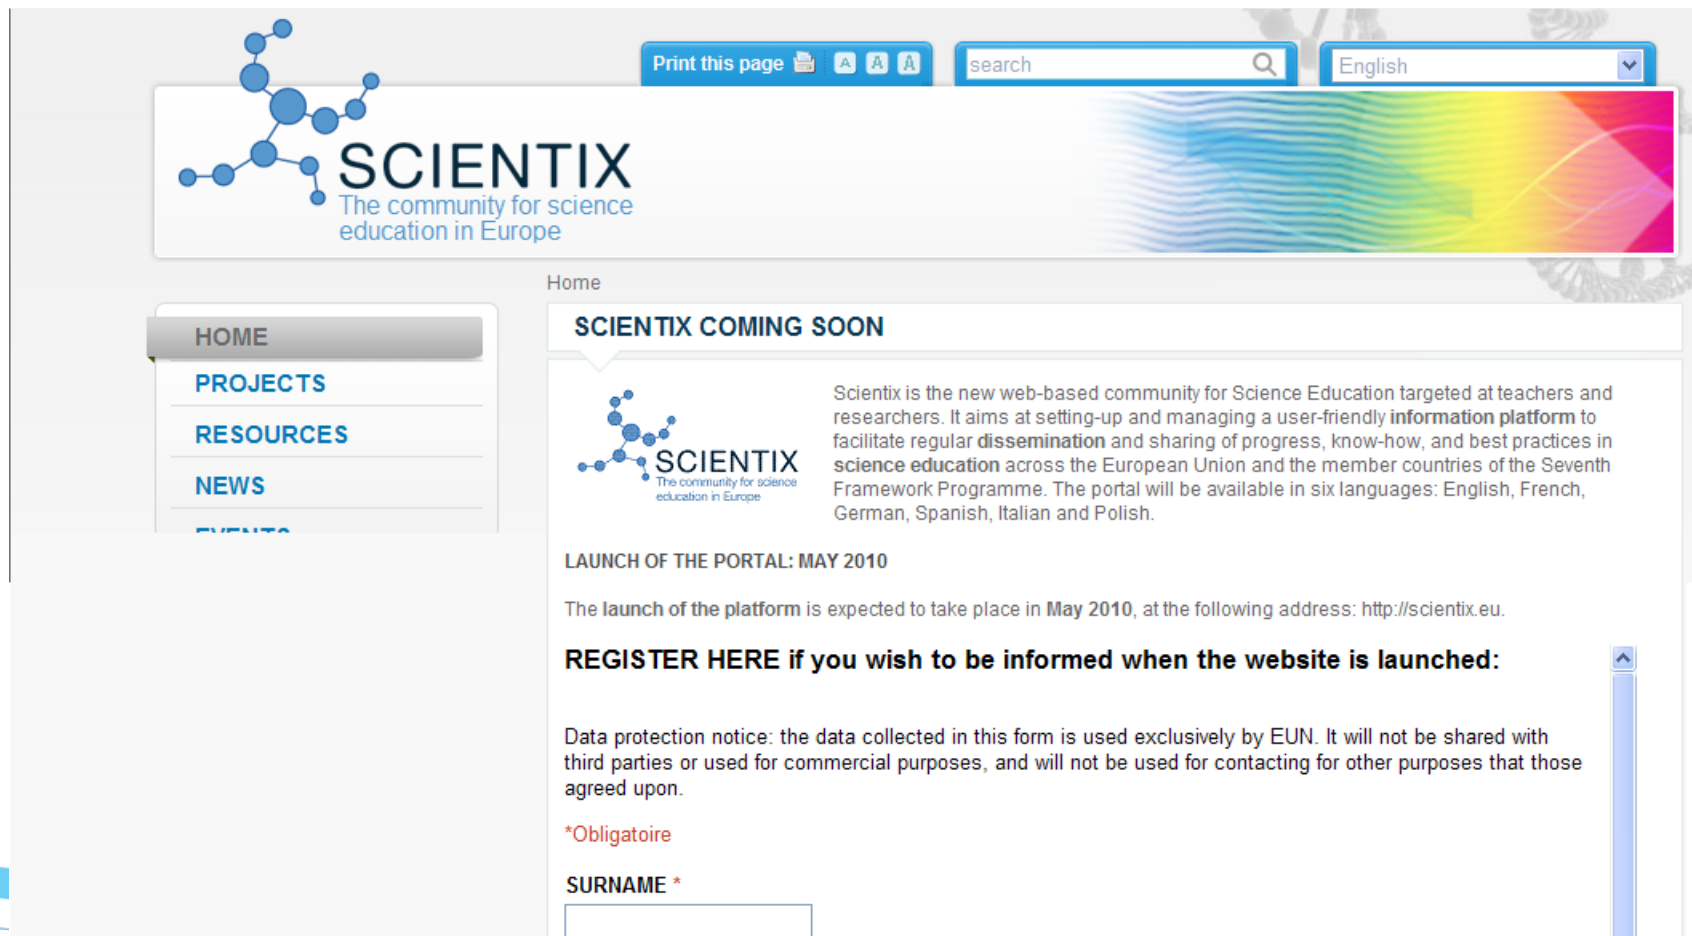

Contact

SCIENTIX COMING SOON

 **SCIENTIX**
The community for science education in Europe

Scientix is the new web-based community for Science Education targeted at teachers and researchers. It aims at setting-up and managing a user-friendly **information platform** to facilitate regular **dissemination** and sharing of progress, know-how, and best practices in **science education** across the European Union and the member countries of the Seventh Framework Programme. The portal will be available in six languages: English, French, German, Spanish, Italian and Polish.

LAUNCH OF THE PORTAL: MAY 2010

The launch of the platform is expected to take place in **May 2010**, at the following address: <http://scientix.eu>.

REGISTER HERE if you wish to be informed when the website is launched:

Data protection notice: the data collected in this form is used exclusively by EUN. It will not be shared with third parties or used for commercial purposes, and will not be used for contacting for other purposes that those agreed upon.
