celstec.org

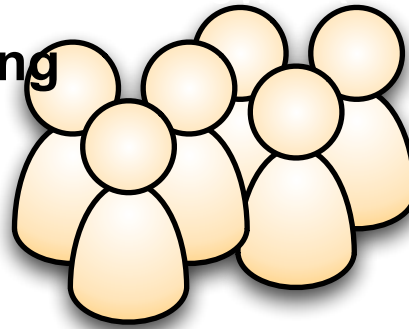

OpenU

- A platform for ‘self-organized learning’ , courses etc.
 - Personal digital study and work environment
 - Integrate social networking
 - Portal for subject domains / faculties (Bachelor, Masters, PhD)
- OER, or partly free, in different formats (incl mobile)
- Changing the business of the University: not selling courses, diversifying depending on the needs of LLL
 - Free
 - Pay for services; tutoring, examination etc.
