## Europees

Focus op Europese initiatieven

Nederland

- [Kennislink.nl](#) is dé populair-wetenschappelijke website voor het Nederlandse taalgebied.

Europa

Vind nog veel meer inhoud via de 'Learning Resource Exchange' van [European Schoolnet](#), dé Europese databank met leermiddelen, ook bruikbaar voor jouw les!

aanpassen

Scientix.eu

Doorzoek de Scientix databank en vraag je vertaling aan:

Scientix is de 'community for science education in Europe' met als doel het faciliteren, dissemineren en delen van know-how en goede praktijken uit het Europese onderwijsveld. Scientix is vrij toegankelijk voor alle leerkrachten, onderzoekers, beleidsmakers, ouders ... kortom, iedereen die geïnteresseerd is in wetenschappelijke educatie.

**Zoeken en vinden, engageren en motiveren**

Scientix verzamelt leermiddelen en onderzoeksrapporten vanuit de Europese wetenschapsprojecten, gefinancierd door de Europese Unie:

## John Travoltage

Simulering, Källa: Learning Resource Exchange

Make sparks fly with John Travoltage. Wiggle Johnnie's foot and he picks up charges from the carpet. Bring his hand close to the door knob and get rid of the excess charge.

## It i skolan

### Om söktjänsten Spindeln

Spindeln är en söktjänst som är speciellt framtagen för att pedagoger och elever lätt ska kunna söka efter digitalt material för skolarbete. Sökningen sker i flera arkiv men är begränsad till de arkiv som innehåller material för skolarbete.
